KARNIA-RUTHENIA AIDES LEGITIMATE GOVERNMENT

THE Empire of Karnia-Ruthenia has publicly declared its support for the Imperial Government in the Lundener Civil War against the Communist Rebels. They entered the Civil War after intense discussions with the Prime Minister following a new treaty of Mutual Recognition and Friendship being signed. The result of these talks was Karnia-Ruthenia aide in the form of propaganda posters while suggesting the reopening of diplomatic channels between the two sides. However, the “People’s Liberated Territories of Lundenwic” have not responded to any communique. There are now three propaganda posters in use, the first being published by L.M.I, all of which are hanging in the remaining territories of the Imperial Grand Duchy of Lundenwic. The Imperial Grand Duke commented, “This is great news. Support for the Imperial Government continues to grow and not belong long,

Bedfunta will be returned to its rightful place.” Karnia-Ruthenia adds to a list of supporters of the Imperial Government which includes the Empire of Paravia, the Universal Triumvirate and the Cofederation of Leylandiistan & Gurvata. As far as the Imperial Government is aware there are no supporters of the Communist Rebels as they have declined to join the MicroWiki Community. The Imperial Government also believes that more nations will support the legitimate government within the coming months as the Imperial Government pushes to put an end to the Civil War and reclaim the territory of Bedfunta. The Imperial Government is determined to put an end to the conflict before the first anniversary of the beginning of the Civil War on the 13th September.

FOREIGN RELATIONS

The first was the State of Nedland, which the Imperial Grand Duchy had relations with previously, before the nation was disbanded. The second nation was the Duchy of Hodiny which has also been experiencing something of a Civil War. The Imperial Government will be keeping a close eye of the Duchy of Hodiny as it continues its support of the CNSR in their “war” against Somali Haiti.
