## Free Fascism Swells In Numbers

A Glorious Regime change has occurred within the former Grand Duchy of Breckland. Under the guidance of the new Legate, John Gordon, the nation has embraced Free Fascism using the manifesto written by our very own Prime Minister. So far, a new Constitution has been written promoting the values of the Free Fascist movement and adapting it to suit the needs of the nation. The Legate has also published his own manifesto calling his ideology 'State Protectionism'. This is quite a change from the start of the year back when Breckland was a Socialist Republic demanding that Lundenwic cease its anti-Communist propaganda campaign. Since then, through skilful diplomatic efforts, both nations have attained and retained cordial relations with one another. Our Prime Minister served as a member of the Grand Duke's cabinet when the nation was a Grand Duchy.

The Social Republic of Breckland as it is officially known, has implemented many policies to cement the Fascist ideology within the functions of Government. One such policy has turned the nation into a one-party state with the National Fascist Party in charge. The Marquis of New Charter has confirmed he is a member of the party and is serving as Chancellor and as Minister of Defence and Armaments to 'support and bolster the Fascist movement.' He went on to say, "This is a massive step forward for Breckland and I am proud to be a part of it."

The Legate also announced Breckland's continued support for the Imperial Government in the Lundener Civil War by saying, "I wish to reaffirm our commitment to our cooperation with Lundenwic in destroying the Communist strongholds that plague their nation."

## OBITUARY

THE Imperial Government would like to send its condolences to the Empire of Abelden and especially the Federal State of Alenshka as their Deputy Prime Minister sadly passed away on 29<sup>th</sup> September at the age of 72.

Paulina Paul had been named Deputy Prime Minister of Alenshka by the Prime Minister and her Grandson Allen Paul about a month ago. She was taken to hospital on 21<sup>st</sup> September with pneumonia. The Abeldane Times said, "She had been suffering a lot during the last days of her life and was struggling to stand up."

Five days of mourning had been declared on the announcement of the death within the entire Empire. All flags were requested to be flown at half mast with black ribbons as is the protocol within the Empire.

Our thoughts remain with her family and friends and this truly sad time.

PARLIAMENTARY WHISPERS

By Rt. Hon. Roberto Bruno

The Imperial Grand Duke has not been seen for a number of weeks now, but the Prime Minister and the Minister of Defence have been spending a lot of time with each other. Is the Free Fascist Party planning to cut the Imperial Grand Duke out of the picture.

The Prime Minister has announced that he has authority from the Imperial Grand Duke to act on his behalf, but as no one has seen or heard from the Imperial Grand Duke, how can this be possible?

The Democratic Reform Party will ensure the country is governed properly.

PRIME MINISTER STILL LOYAL

EVEN though the Prime Minister has been kept out of discussions with the Communist Party of Lundenwic and the Imperial Government, he has claimed he is still loyal to the Imperial Grand Duke and trusts him to do right by Lundenwic. The declaration was made after many citizens showed concerned that the Imperial Grand Duke and the Prime Minister hadn't had their routinely meetings recently. There is a rumour

that the pair had fallen out over the way the peace process is being handled. The Prime Minister has quashed this rumours as merely 'hearsay'. He said, "The Imperial Grand Duke is busy with work and the peace process. He has entrusted me to run the nation in his good name while this matter is sorted. As such I will be announcing a number of new policies in the coming weeks. For all of Lundenwic and our friends; it is business as usual."
